Villa T3 with WIFI and Private Pool, in the Alto Club -

Located at the main resort, the 3 bedroom villa with private pool at the Alto country club is one of the original villas and as such has built up a loyal following of past clients who over the years have seen the garden mature into a tranquil retreat with sunny pool terrace around small pool and shaded areas provided by mature Mediterranean trees.

It has a fully equipped kitchen including dish washer, washing machine and micro-wave.

The villa provides comfort and privacy whilst still having access to the excellent facilities of the Alto golf and country club including indoor and outdoor pools, sauna, Jacuzzi, tennis courts and much more
