LAND FOR SALE IN LAGOS | Ref: T/05169

720,000 €

Plots of Land For sale in Lagos, Portugal

There are 7 plots for construction for sale in Lagos, in a privileged location overlooking the sea. The seven plots are already being prepared with infrastructures, and depending on the plot, the areas may go from 1.417 m² to 3.683 m². The construction areas are between 900 m² and 1,451 m². There will be 9 to 15 dwellings built.

Plots with construction licences are rare in the Algarve region, so this is a huge opportunity you should take as soon as possible. After construction, these plots of land will overlook the bay of Lagos, and the location is next to Marina de Lagos. This is a winning investment in a city with cultural, historical and human value in a prestigious area, close to several amenities such as restaurants, blue flag beaches, fresh produce markets, public institutions and leisure areas
