APARTMENT TO RENT IN LAGOS | Ref: Apt. Rocha Negra

602 €

Apt. Rocha Negra

We are pleased to introduce the brand new and eagerly awaited sister apartment to Baia Beach - Rocha Negra.
Our new release for Spring 2022, Rocha Negra takes its name from the famous black volcanic Rocky headland - which this apartment enjoys views of. Literally 350 metres from your front door until your toes are in the warm sand of Praia da Luz beach!

Like its sister apartment, which has 5.0 reviews on Airbnb, this newest addition to the family has been carefully and thoughtfully designed to make the most of the space. Touches of luxury add to your comfort and enjoyment of your stay here & nothing has been forgotten!
