APARTMENT FOR SALE IN LAGOS | Ref: A/05914

212,300 €

Lagos Historical Centre - 1-bed apt.

An amazing opportunity to have this 1-bed apartment located in the heart of Lagos's historical centre. Located in a small square near the town wall, the apartment is on the 1st floor (no lift) of a small block of apartments. The living / dining room has a west facing terrace with views over the quaint square and the old town wall, the bedroom is large with a small terrace, and there is a shared family bathroom. The apartment areas are very good and would benefit from some renovation. The location makes it an excellent rental prospect or for anyone wanting to experience life in the vibrante centre of this lovely town.
