VILLA FOR SALE IN LAGOS | Ref: M/05647

2,900,000 €

NEW DESIGNER HOME WITH OCEAN VIEWS

A few years ago it was difficult to find contemporary villas for sale in Portugal, today is common, but with the quality and design that this villa presents us with, it is rare.

This is a very well-designed luxury villa with the signature of the architects Carlo&Carla.
The industrial lines created by the iron columns give a modern and elegant look to this villa for sale in Lagos. The details have been designed to maximise the use of the external and internal spaces.

On the ground floor of this villa, you will find the entrance hall, a guest bathroom, the living room with a beautiful wooden floor and the dining room. The kitchen is open-plan and equipped with the best SMEG appliances. The covered terrace offers a beautiful view
